If I Should Fall Behind (Bruce Springsteen)

*We said we'd walk together baby come what may
That come the twilight should we lose our way
If as we're walking a hand should slip free
I'll wait for you
Should I fall behind
Wait for me*

*We swore we'd travel darlin' side by side
We'd help each other stay in stride
But each lover's steps fall so differently
I'll wait for you
Should I fall behind
Wait for me*

*Now everyone dreams of a love lasting and true
But you and I know what this world can do
So let's make our steps clear so that the other may see
I'll wait for you
Should I fall behind
Wait for me*

*There's a beautiful river in the valley ahead
There beneath the oak's bough soon we will wed
Should we lose each other in the shadow of the evening trees
I'll wait for you
Should I fall behind
Wait for me
I'll wait for you
Should I fall behind
Wait for me*
